NEW! THE EXTREMA TABLE TOP EASIFIX SYSTEM

EXTREMA TABLE TOP EASIFIX SYSTEM

It couldn't be easier to fix your new Extrema table top to your base:

1. Rest table top, upside down on a firm surface.
2. Insert the 4 bolts into the grooves and slide them to the desired width.
3. Place your pre-assembled table-base onto the table top, making sure that the holes align.
4. To finish, secure the base firmly to your Extrema top using the fixings supplied and tighten securely to ensure there is no movement on completion.
Make sure you do not over-tighten.
5. Carefully turn the unit back onto its feet and your new Extrema table is now ready for use.
